*Approval of the Sewer Connection Application does not mean or imply that this lot is buildable.*

*Note: Article XIII Sec. 8. When a Sewer Connection Application is processed and a permit is issued, the owner of the property for which the application was issued will be billed for the units that were approved. If the application was approved during the billing year, the sewer charge will be pro-rated for the rest of the year; any year thereafter the owner will receive a bill for all the units that were approved for a full year. The sewer bill will be assessed regardless of whether the units are tied into the collection system or not.*
